FRIDAY EVENING, JULY 7, 1882.

LOCAL MATTERS.

Weather Probabilities, July 7, 1882. For the Middle Atlantic States warmer, fair followed by cloudy weather, winds mostly southerly and stationary or lower pressure.

UNITED STATES COURTS .- Judge R. W. Hughes preciding.—The grand jury retired to their room and after being out for some time returned to the court room, and Capt. Herbert Bryant, foreman, presented the following re . t: Wm. T. Dickey, of Farifax, for carrying on the business of retail liquor treater: we mout having paid the special li-cense tax, a true bill; Geo. A. and J. P. Bowman, for carrying on the business of retail liquor dealers, not a true bill.

Chas, W. Hoyme, Lewis L. Morris and to defraud the Government; a truebill, and a bench warrant was issued for their arrest. John Gibson to-day. United States vs. Wm. T. Dickey, violation of internal revenue law; jury; verdict guilty; judgment suspended and defendant recognized in the sum of \$250 for his appearance at the January term.

United States vs. John J. Robertson; vio-lation of internal revenue law in distilling fruit brandy without a license; jury and verdict not guilty.

The Atlantic and Virginia Fertilizer Co. vs. Carter, removed from Circuit Court of Loudoun county: argument on motion to me to perfect health. remand by ex-Governor Fred. P. Staunton and C. P. Janney, for the fertilizer company, and Gen. Payne and John M. Orr, for Carter; decision reserved.

J. W. Parre vs. Samuel C. Luckett and Joseph Furr; continued till September 19. Both courts adjourned till to-morrow morning at 11 o'clock

POLICE NEWS .- Mollie Curtis, of Fredericksburg, and the young man named New-land, from the Falls Church neighborhood, who were arrested yesterday morning for continuing their Fourth of July spreelonger than the laws of Alexandria allowed, were, upon getting sober, fined by the Mayor late yesterday evening \$5 each. The young man, who declared that he would not have his wife "get hold of the little affair for anything in the world," paid his fine and was discharged. The horse and wagon, in which the couple had started on their picnic, and the cakes, lemons and soap captured, were then delivered to him, and he left for his home. The woman, having no money with which to pay her fine, was sent to jail, where he will have 30 days in which to make up her mind to become a better woman. From the reluctance with which she went to prison it is more than probable that on the next Fourth of July she will endeavor to control her patriotism.

The only case before the Mayor this mor-

ning was that of George Nowland, charged by George Brown, a barber, with cutting off the tail of his Maltese cat. The evidence was not sufficient to convict and Nowland was discharged.

Genzberger, a rag man, was before Justice Thompson, yesterday, on the charge of assaulting John Uriah Smarr, a newsboy. He was put under bonds to keep the peace for twelve months.

BASE BALL.-The match game of base ball to have been played in this city yester-day between the Alexandria Base Ball Association and the Star nine of Washington did not take place. The Washington nine arrived and a large crowd assembled on the grounds, but members of the Alexandria nine objected to a young man named Baker playing, on the grounds that he was a professional, and that he had played with ev ery Washington nine that had visited this city during the past few weeks. A majority of the Association finally agreed to allow Baker to play, but Baker declared he would not play, and the game was declared "off," Two colored clubs one from this city and the other from Washington-the Whackers-then took charge of the grounds and played an interesting game, which resulted in a victory for the Washingtonians by the following score: Alexandria nine 3, Washington nine 11.

HANDSOME CARS, -A day or two ago a handsome silver palace car-the Belrosepassed through here over the Virginia Midland Railway for the South, and this morning another of these beautiful cars, the Olive Branch, passed through here over the same road for the North. These cars, which are the two handsomest owned by the Pullman Palace Car Company, were admired by all who had the good fortune to see them. Railroad companies are making their passenger coaches more attractive each year, and some of the cars, both for beauty and comfort, are really palaces compared with those of a few years back. There are a number of fine passenger cars both on the Virginia Midland and Alexandria and Fredericksburg Railways.

THE MARYLAND FERRY .- The work of repairing and repainting the steamer Virginia, recently purchased by the new Alexandria Ferry Company, having been completed, the directors of the company met yesterday afternoon and turned the steamer over to Mr. Wm. S. Moore for one year, with the privilege of two, on condition that he will run her regularly between this city and the opposite shore in Maryland. The steamer will commence her trips to-morrow with Capt. Griffin as commander, and Joseph Moore as engineer.

BOARDING HOUSE ROBBED. - A few nights ago some sneak thief entered the boarding house kept by Mrs. Colvin, on Henry street, and when he left carried away with him several articles of clothing belonging to the inmates of the establishment. The boarders have their suspicions, and if they find they have correctly located the thief, they will make it warm for him if he is caught in the neighborhood again.

STEAMER CONDEMNED. The steamer Harry Lodor, of the Farmington line, was inspected this morning by Inspectors Val-entine and Schaffer, and her boiler,not coming up to the requirements, was condemned. The inspectors would not allow the boat to make her trip, and the freight on her had to be transferred to ferry boats. The boiler of the Lodor will be overhauled.
